DESIGNER

Saerom Yoon

Saerom Yoon is a Seoul-based designer and artist whose practice spans collectible furniture, sculpture, and installation. A graduate of Hongik University's Department of Woodworking and Furniture Design, she explores the relationship between material, light, and memory, transforming fleeting experiences of nature into sculptural works that blur the boundaries between art and design. Working primarily with hand-dyed acrylic resin, Yoon creates luminous compositions inspired by changing landscapes, light, and atmosphere. Through meticulous experimentation with colour, transparency, and form, her works translate ephemeral moments into timeless collectible objects. Balancing technical precision with poetic expression, her practice continues to expand the language of contemporary collectible design.
