DESIGNER

Emilie Lemardeley

Émilie Lemardeley is a French designer and sculptor whose work explores the relationship between light, material, and emotion. Working across collectible lighting, furniture, and sculptural objects, she transforms glass, bronze, and brass into luminous compositions that balance organic forms with refined craftsmanship. Inspired by nature, Art Nouveau, and the decorative arts, her creations celebrate color, movement, and the poetic beauty of everyday life. After studying at the Institut d'Études Politiques, the École du Louvre in Paris, and the Sotheby's Institute in London, Lemardeley founded her studio in 2012. Collaborating with master glassblowers, bronze casters, and skilled French artisans, she creates timeless works distinguished by their sculptural presence, jewel-like detailing, and exceptional craftsmanship, seamlessly blurring the boundary between functional design and art.
