Mono Editions is a Paris-based design house founded by Laetitia Ventura in 2022. Established as a platform for contemporary collectible design, the brand collaborates with architects, designers, and artisans to create furniture and objects that balance sculptural expression with everyday functionality. Guided by a commitment to craftsmanship, sustainability, and timeless design, Mono Editions develops collections distinguished by their strong material identity and refined aesthetic language. Through a curated approach to collaboration and production, the brand champions a contemporary vision of collectible design where creativity, durability, and accessibility converge. Working with both emerging and established talents, Mono Editions creates pieces designed to transcend trends while fostering a lasting connection between object, maker, and user.
