## Albane Salmon

French cabinetmaker and designer Albane Salmon leads Atelier Sauvage, a workshop dedicated to solid wood objects at the crossroads of sculpture and furniture. Trained at Cole Boulle, she privileges direct making the studios vocabulary draws from close observation of natural structures and growth. Operating under the Atelier Sauvage name since 2018, Salmons work articulates a patient material intelligence, joins, grain, and volume held in crisp balance. Profiles of her early duo practice trace a collaborative foundation that informs todays singular, quietly audacious pieces.
