Batten and Kamp

Batten and Kamp is the collaborative practice of New Zealand–born designers Alexandra Batten and Daniel Kamp, based between Paris and Hong Kong. Working across collectible design and sculpture, the duo creates functional objects distinguished by a refined balance of organic and industrial elements, where material experimentation meets precise craftsmanship. Rooted in a research-driven approach, their work explores the relationship between form, material, and process. Through meticulous fabrication and a restrained visual language, Batten and Kamp develop pieces that move fluidly between art and design, combining sculptural presence with everyday functionality.
