Cara Davide

Cara \ Davide is a multidisciplinary design studio founded in Milan by Cara Judd and Davide Gramatica. Drawing on their South African and Italian backgrounds, the duo works across collectible design, furniture, interiors, and exhibition design, developing projects rooted in material research, craftsmanship, and a sensitivity to place. Characterized by an ongoing exploration of materials, production techniques, and cultural contexts, their practice moves fluidly between self-initiated collectible works and collaborations with brands, galleries, and private clients. Working closely with artisans in Italy and South Africa, Cara \ Davide create pieces distinguished by sculptural forms, refined materiality, and a thoughtful balance between contemporary design and traditional making.
