DESIGNER

Batten and Kamp

Batten and Kamp is the collaborative practice of New Zealand-born designers Alexandra Batten and Daniel Kamp, based between Paris and Hong Kong. Working across collectible design and sculpture, the duo creates functional objects distinguished by a refined balance of organic and industrial elements, where material experimentation meets precise craftsmanship. Rooted

in a research-driven approach, their work explores the relationship between form, material, and process. Through meticulous fabrication and a restrained visual language, Batten and Kamp develop pieces that move fluidly between art and design, combining sculptural presence with everyday functionality.
