CONTAIN

CONTAIN is a Mallorca-based design studio founded by Mauricio Obarrio and Juan Peralta, whose practice spans lighting, furniture, and collectible objects. Rooted in a deep appreciation for materials and craftsmanship, the studio creates pieces that balance sculptural presence with functional clarity. Their work is distinguished by a refined aesthetic language, where geometric simplicity meets tactile richness and meticulous attention to detail. Working closely with local artisans and specialized manufacturers, CONTAIN explores the expressive possibilities of materials such as brass, glass, ceramics, and stone. Each collection reflects a dialogue between traditional craftsmanship and contemporary design, resulting in objects that feel both timeless and distinctly modern. Guided by a philosophy of restraint and precision, the studio creates pieces that celebrate material authenticity, Mediterranean sensibility, and the enduring value of thoughtful making.
