DESIGNER

Gabriela Campos

Gabriela Campos is a Brazilian designer whose practice explores the relationship between craftsmanship, materiality, and cultural identity through collectible furniture and objects. Drawing inspiration from Brazil’s natural landscapes and artisanal traditions, she creates refined pieces distinguished by organic forms, tactile materials, and a quiet sculptural presence. Working across wood, ceramics, textiles, and natural fibres, Campos develops a contemporary design language rooted in authenticity and emotional connection. Guided by a commitment to artisanal collaboration and thoughtful production, Campos works closely with skilled makers to reinterpret traditional techniques through a contemporary lens. Through refined craftsmanship, expressive materiality, and timeless forms, her work celebrates Brazilian heritage while creating enduring pieces that resonate across cultures.
