Studio Gaia Paris

Studio Gaïa is a French design atelier specializing in exceptional stone furniture and decorative objects crafted from marble, onyx, and travertine. Designed in Paris by its two founders and handmade by skilled artisans, each piece reflects a commitment to material excellence and refined craftsmanship. Rooted in a dialogue between Parisian elegance and understated modernity, Studio Gaïa's creations are defined by sculptural presence and timeless appeal. Natural materials remain central to its identity, celebrated for their richness, depth, and individuality. Through careful composition and proportion, each object is designed to complement both contemporary and classic interiors. Working primarily through bespoke commissions, the studio develops pieces in close dialogue with clients, allowing each work to respond to its context while retaining a distinct design language. Meticulous craftsmanship and respect for artisanal knowledge define Studio Gaïa's approach to collectible furniture and high-end interiors.
