Hollis & Morris

Hollis + Morris is a Canadian design studio founded by Mischa Couvrette, creating handcrafted furniture and lighting that balance sculptural simplicity with enduring functionality. Designed and made in Toronto, the studio is recognized for its signature combination of sustainably sourced solid wood, precision-crafted metal, and hand-blown glass, celebrating the inherent qualities of each material through refined, contemporary forms. Guided by a commitment to craftsmanship and sustainable manufacturing, Hollis + Morris produces timeless collections for residential, hospitality, and public spaces. Defined by clean lines, thoughtful engineering, and meticulous detailing, the studio's work combines architectural clarity with warmth and material honesty, resulting in collectible pieces that embody the enduring values of Canadian craftsmanship and contemporary design.
