DESIGNER

Olivia Cognet

Olivia Cognet, born and raised in Nice on the sun-kissed French Riviera, is a multidisciplinary artist whose practice spans the realms of luxury fashion and ceramic art. Having honed her vision as an accessory designer for esteemed houses including Lanvin, Sonia Rykiel, Carven, and Isabel Marant, Olivia brings the same rigor, sensitivity, and sophistication to her exploration of clay. Her work bridges the worlds of couture and ceramics, transforming materiality into a language of form, texture, and emotion. Through every creation, Olivia's artistic vision remains unwavering: a dialogue between modern brutalism and refined femininity. Each piece is simultaneously tactile and sculptural, intimate yet monumental, bearing witness to a nuanced interplay of strength and sensuality. Guided by the ethos, "Let the beauty of what you love be what you do" (Rumi), Olivia Cognet's work celebrates the poetic intersection of craft, design, and artistic expression, inviting viewers into a world where elegance, innovation, and material mastery converge.
