DESIGNER

Henry D'ath

Henry D'Ath is a New Zealand-born designer based in Hong Kong whose practice explores the relationship between architecture, materiality, and collectible design. Working across furniture, lighting, and objects, he creates refined pieces distinguished by clean geometries, balanced proportions, and a restrained material palette. Combining wood, metal, and stone, D'Ath develops a contemporary design language that emphasizes precision, craftsmanship, and the inherent character of each

material. Guided by a minimalist sensibility and a deep respect for traditional making techniques, his work balances sculptural presence with everyday functionality. Produced in close collaboration with skilled artisans, D'Ath's designs celebrate material honesty and timeless simplicity, resulting in collectible pieces that bring quiet elegance and enduring character to contemporary interiors.
