Alexandr Pinchuk

Olexandr (Sasha) Pinchuk is a Ukrainian designer based in Paris whose work merges motion, emotion, and digital craftsmanship into striking visual experiences. Trained in concept art, 3D motion design, and photography, he has developed a practice that transcends disciplines while remaining deeply rooted in a poetic exploration of form and atmosphere. His projects span exhibition design, photography, and multimedia installations, each marked by a sensitivity to light, movement, and space. Through these elements, Pinchuk constructs immersive narratives that invite contemplation and emotional resonance. Widely recognized and represented by international galleries and cultural platforms, he continues to shape the landscape of contemporary visual and design culture.
