### DESIGNER

## Bert Frank

Founded in 2013 by designer Robbie Llewellyn and metalwork expert Adam Yeats, Bert Frank stands at the vanguard of British luxury lighting and furniture. The London-based studio channels mid century modern influences, pairing the warm sophistication of rosewood and brass with a resolute dedication to craft. Each lamp and furnishing, designed

and manufactured in the UK, embodies the philosophy art meets engineering, design meets craft, grounding contemporary interiors in a tradition of excellence. Bert Franks work, celebrated for both its visual poise and uncompromising durability, has garnered accolades and graces distinguished interiors.
