MATERIALS Fabric, Wool

DESIGNER

Florian Pretet

French designer Florian Pretet creates sculptural lighting and furniture with a focus on bold geometry, material contrast, and artisanal execution. His work often reinterprets classic forms with contemporary edge, using wood, metal, and ceramic to construct visually impactful, tactile objects.

Pretet's practice balances conceptual exploration with detailed craftsmanship, producing collections that contribute a fresh voice to the French design scene. His pieces are sought after for their expressive form and meticulous finish.
