DESIGNER

Federico Stefanovich

Federico Stefanovich is a Mexican designer born and based in Mexico City, renowned for his work in collectible design, high end furniture, and handcrafted objects. With a background in furniture and product design, Stefanovichs studio creates contemporary pieces that combine sophisticated forms, concept driven design, and the artistry of Mexican craftsmanship. His work explores the emotional connection between objects and their users, often incorporating concepts such as balance and counterpoise to create pieces that are poetic yet playful. Each design is handmade in collaboration with local artisans, ensuring exceptional quality and attention to detail. By merging modern design with traditional techniques, Federico Stefanovich produces timeless collectible furniture and functional art for discerning international clients.
