DESIGNER

Gisbert Pöppler

Since 2004, Berlin's Gisbert Pöppler Studio has fused architecture, interiors, and bespoke furnishings into cohesive, jewel box worlds. Color, light, and finely tuned proportion are orchestrated with the precision of stagecraft, producing spaces that feel both timeless and freshly imagined. Pöppler's

work often reinterprets historical context through contemporary eyes, bringing a layered tactility to rooms and objects alike. Each project becomes a carefully composed atmosphere, an interplay of narrative, material, and refined eccentricity.
