Colé Italia

Colé Italia is a luxury Italian furniture brand specializing in hand-carved marble pieces that combine traditional craftsmanship and bold, contemporary forms. Founded in Carrara, the heartland of marble production, the studio elevates stone carving into a sculptural art form, producing tables, lighting, and objects distinguished by organic shapes

and meticulous finishing. Emphasizing artisanal mastery and material innovation, Colé Italia's work reflects a dialogue between natural stones' raw power and refined design. The brand appeals to collectors and architects worldwide seeking statement pieces that unify heritage and modernity.
