Eter Design

Ēter Designs is a contemporary design studio dedicated to creating handcrafted objects that celebrate the relationship between geometry, material, and everyday rituals. Working across collectible furniture, objects, and tableware, the studio develops refined collections distinguished by sculptural forms, restrained aesthetics, and meticulous craftsmanship. Guided by a minimalist design language, Ēter Designs transforms functional objects into timeless pieces that elevate daily living. Rooted in a commitment to thoughtful making and material honesty, Ēter Designs embraces artisanal production and refined detailing to create enduring works of quiet elegance. Through balanced proportions, tactile surfaces, and a contemporary sensibility, the studio develops objects that celebrate simplicity, craftsmanship, and the enduring dialogue between design, function, and everyday life.
