Artu

ARTU is a Polish furniture brand dedicated to creating contemporary furniture that balances design, ergonomics, and functionality. Working with an international roster of designers, the company develops chairs, tables, sofas, and hospitality furniture characterized by clean forms, thoughtful craftsmanship, and enduring quality. Produced primarily from hardwood and metal, ARTU’s collections are designed for both public and residential environments, reflecting a commitment to timeless aesthetics, comfort, and everyday usability. Based in Poland, the brand collaborates with designers from around the world while serving an international market.
