DESIGNER

Choice

Made by Choice is a Finnish design company dedicated to creating contemporary furniture rooted in Nordic values, craftsmanship, and sustainability. Based in Halikko, Finland, the studio combines traditional woodworking expertise with modern manufacturing techniques, producing collections that balance functionality, durability, and a distinctive contemporary aesthetic. Working closely with leading designers and architects,

Made by Choice develops furniture and bespoke projects for both private and public spaces. Guided by a commitment to responsible production and enduring design, the company creates pieces that celebrate Finnish design heritage while responding to the needs of contemporary living.
