Cappelen Dimyr

Cappelen Dimyr is a Scandinavian collective, driven by the vision of Ellen Dixdotter and Jacob Cappelen Holst, dedicated to crafting contemporary rugs and tapestries that marry bohemian warmth with slow luxury. Based between Copenhagen and Stockholm, the studio collaborates with Indian artisans, employing traditional techniques and unbleached fibers

to ensure sustainability and longevity. Each piece exudes an avant-garde, yet earthy spirit, designed to bring an eclectic layer of character and comfort to modern interiors. Since its 2019 founding, Cappelen Dimyr has become synonymous with conscious, handcrafted artistry.
