ADDITIONAL INFORMATION	Made to order creations can be done: please contact us for any request.

### DESIGNER

## RF Studio

RF Studio is a Lima-based experimental art and architecture practice led by Rafael Freyre. The studio explores the interface between built environments and natural ecosystems, creating handcrafted pieces and site-specific projects in dialogue with local landscape

and materials. Known for work shown internationally, RF Studio draws on Peru's geological heritage and artisanal knowledge to craft design that is both poetic and rooted in place.
