DESIGNER

Jaime Hayon

Spanish creative force Jaime Hayon (b. 1974, Madrid) moves effortlessly across art, design, and installation. Trained in industrial design in Madrid and Paris, he honed his vision as design director at Fabrica before founding Hayon Studio in the early 2000s. From

furniture series with Fritz Hansen to ceramic collections for BD Barcelona and crystal pieces for Baccarat, Hayon realizes a unique visual language — playful yet rigorous, blending folkloric whimsy with architectural precision.
