Altin

Altin is a Tunisian brand and design studio where partners Yasmine Sfar and Mehdi blend artisanal heritage with contemporary aesthetics and a strong sense of social and ecological responsibility. Drawing upon Tunisia's deep traditions in arts and crafts, Altin's first collections such as Orbit, are

characterized by a reverence for traditional techniques paired with a drive for innovation. Each piece seeks to unite beauty, functionality, and ethical values, making Altin a beacon for thoughtful, sustainable design in the region and beyond.
