DESIGNER

Andres Gutierrez

Based in Mexico City, Andrés Gutierrez is recognized for his multidisciplinary approach blending interior and furniture design with artful storytelling. Since founding A G Studio in 2012, Gutierrez has developed spaces and objects that draw on pre-Hispanic heritage, abstract forms, and a tactile, avant-garde palette. His projects, ranging from acclaimed hotel interiors to conceptual

furniture lines such as Los Trece Cielos, are celebrated for forging emotional connections between user and environment. Gutierrez's design ethos rests on exhaustive research and the personal narratives of his clients, seeking to transform intimate histories and broader Mexican culture into physical experience.
