| ADDITIONAL INFORMATION | Made to order creations can be done: please contact us for any request. |

DESIGNER

Bocci

Founded in 2005 by Omer Arbel and Randy Bishop, Bocci is a Canadian design and manufacturing studio renowned for its sculptural lighting and site-specific installations. Operating from Vancouver and Berlin, Bocci fosters a deeply collaborative process that blurs the lines between design and craft. Their debut piece, the 14 pendant, set the

tone for a catalog defined by technical innovation and a poetic embrace of materials. With works spanning from delicate glass forms to large-scale installations, Bocci's creations invite viewers to contemplate the interplay of light and space, forging new frontiers in contemporary lighting.
