Buket Hoşcan Bazman

Buket Hoscan Bazman is a Turkish designer whose work explores the dialogue between traditional craftsmanship and contemporary design. Through collectible furniture and objects, she creates pieces that celebrate materiality, cultural heritage, and the enduring value of handmade production. Working primarily with brass, wood, and stone, Bazman develops designs distinguished by their sculptural presence, refined detailing, and tactile qualities. Closely collaborating with skilled artisans, she reinterprets traditional techniques through a contemporary lens, creating objects that evoke emotion, encourage interaction, and gracefully evolve with time.
