Qvinto Studio

Marta Qvinto is a leading interior design studio specializing in bespoke interiors and custom-made objects, guided by a dialogue between art and nature. At the heart of Qvinto’s practice is the creation of layered, sensorial environments through an exploration of material, colour, and form. Each space balances contemporary and classical references, graphic precision and instinctive expression, inviting both engagement and reflection. Led by Marta Qvinto and supported by a multidisciplinary team of designers and architects, the studio combines research, experimentation, and meticulous craftsmanship. Projects are developed in collaboration with master artisans in Milan and Venice, where traditional techniques meet contemporary design. Every element is carefully considered to form a cohesive aesthetic and functional narrative. Against the uniformity of mass production, Qvinto celebrates individuality, artistry, and imagination, creating interiors of timeless elegance and emotional depth. The studio’s work transforms personal visions into immersive environments where craftsmanship, beauty, and wellbeing converge.
