DESIGNER

Borgi Bastormagi

Beirut serves as both inspiration and canvas for Nada Borgi and Etienne Bastormagi, the duo behind Borgi Bastormagi. Fusing backgrounds in architecture and urban planning, they design furniture and objects that echo the contours, colors, and energy of urban life. Their collections, such as the Shaping

90 series, translate city forms into elegant, minimalist silhouettes, inviting a reconsideration of space, context, and daily ritual. Whether revitalizing public playgrounds or sculpting objects for intimate interiors, Borgi Bastormagi's work makes architectural motifs tangible and accessible.
