ADDITIONAL INFORMATION	Made to order creations can be done: please contact us for any request.

DESIGNER

Hollis & Morris

Rooted in Toronto, Hollis & Morris crafts lighting and furniture with an unwavering focus on solid wood, honest metalwork, and sustainability. Clean geometries and warm materials converge in collections equally at home in residential and contract settings. Their work celebrates clarity without

sterility, allowing the organic variation of wood grain or metal patina to bring life to minimalist form. In doing so, Hollis & Morris offers a modernist language that remains deeply human and tactile.
