DESIGNER

Almarmo

ALMARMO was born from the creative synergy between Benedetta Pisani, raised in the marble rich environs of Carrara, and Paris-based designer Carter Inskeep Rosenfeld. Founded in 2022, the studio is dedicated to reinventing the destiny of leftover marble slabs, transforming them into bespoke design objects. ALMARMO's output is defined by an intimate knowledge

of natural stone, an ethos of sustainability, and a devotion to client collaboration. With studios in both Paris and Carrara, Pisani and Inskeep Rosenfeld guide each project from conception to installation, offering a uniquely personal and interactive design experience for a global clientele.
