DESIGNERS	Hot Wire Extensions
DIMENSIONS (CM)	61 x 13 x 60 cm
DIMENSIONS (INCHES)	24 x 6 x 24 in
EDITION	Limited Edition
LEAD TIME	5-6 Weeks
ADDITIONAL INFORMATION	Made to order creations can be done: please contact us for any request.
MATERIALS	Metal, Mirror, Composite Materials, Copper

DESIGNER

Hot Wire Extensions

Hot Wire Extensions, founded by Fabio Hendry in Switzerland, transforms waste SLS nylon into complex, bone-like forms grown around heated wire. Born from experimental material research, this process produces furniture and lighting of surprising delicacy and structural integrity.

Hendry's work is both a technical innovation and a commentary on sustainable making. Each piece crystallizes a moment of transformation, turning industrial byproducts into objects of organic beauty and enduring function.
