DESIGNER

Dawid Konieczny

Polish designer Dawid Konieczny is noted for creating furniture and objects that combine traditional woodworking techniques with innovative design. His pieces often feature elegant curves, fluid silhouettes, and an artisanal sensibility grounded in material authenticity. Konieczny's craftsmanship highlights the natural beauty of

wood, producing pieces that feel intimate and sculptural. Operating primarily from Poland, Konieczny prioritizes sustainability and slow design practices. His work resonates with collectors who value handmade quality and contemporary reinterpretations of craft.
