DESIGNER

Aaron Scott

Canadian designer and craftsman Aaron Scott produces furniture, lighting, and objects defined by fluid forms and impeccable workmanship. Often working with bent wood, metal, and stone, Scott creates designs that showcase both structural ingenuity and sculptural elegance. His pieces are characterized by a sensitivity to proportion, curvature, and the

interplay of light on surfaces. With a background spanning architecture and fine woodworking, Scott emphasizes the dialogue between handcraft and contemporary design tools. His works are produced in small editions or as bespoke commissions, reinforcing their individuality and artistry.
