Antilla Di Lauro

Antilla Di Lauro (b. 1989, Milan) is an Italian designer and artist creating one-of-a-kind rugs, tapestries, and objects that merge traditional craftsmanship with contemporary expression. With a background in sustainable architecture and extensive experience in hospitality design across Europe, the Middle East, and Africa,

she draws inspiration from travel, cultural encounters, and personal exploration. Her practice blends materials from wool and silk to recycled mediums, producing layered works that explore themes of freedom, self-reflection, and the transformative power of art.
