DESIGNER

Michel Amar

Michel Amar is a French designer and creative director who has led his own studio for over three decades, developing a practice marked by both ambition and versatility. His wide-ranging body of work—spanning luxury private residences, restaurants, executive offices, and even sailing yachts—has shaped a singular and refined creative language. Approaching each project as a lived narrative, Amar conceives space in its entirety, designing architecture, interiors, and bespoke furniture in a unified gesture. His work is guided by a constant search for harmony, where custom-made elements respond precisely to the desires and lifestyles of his clients. Deeply influenced

Mediterranean roots, he seamlessly blends the elegance of French chic with a rich palette of cultural references. Situated at the intersection of collectible design and art, Amar's collections cultivate a dialogue between poetry and function. Close collaboration with master artisans has granted him an intimate understanding of materials and traditional savoir-faire, enabling him to shape matter with a sculptor's sensitivity. Today, his evolving body of work is represented by renowned galleries worldwide, affirming his position within the international design landscape.
