DESIGNER

Christian Friedl

Christian Friedl is an Austrian designer based in Styria/Graz whose practice spans furniture, lighting, and product design, distinguished by a blend of industrial precision and handcrafted warmth. Friedl works with wood, metal, glass, and concrete, exploring the interplay of geometry and tactility in his creations. His pieces reflect a dedication to subtle craftsmanship, with

a restrained yet expressive language that fits both modern and traditional interiors. Operating from his studio in Graz, Friedl prioritizes quality materials and bespoke processes, often collaborating with local artisans. His work has earned acclaim for its elegant simplicity and attention to functional detail.
