Acanthus Studio Roma

Acanthus Studio Roma is an Italian atelier specializing in luxury furniture and decorative arts steeped in classical Roman motifs. Known for exquisite detailing and the use of fine marbles, carved woods, and gilded finishes, the studio draws direct inspiration from Italy's architectural and artistic heritage. Each piece is conceived as a contemporary heirloom, balancing timeless aesthetic codes with modern craftsmanship techniques. By collaborating with master artisans, Acanthus Studio Roma creates works that celebrate the grandeur of classical design while ensuring they remain relevant in elegant contemporary settings.
