## DESIGNER

### Dennis Kaiser

Studio Dennis Kaiser is a multidisciplinary design practice founded by Belgian designer Dennis Kaiser, based in Tuscany, Italy. Rooted in a dialogue between Belgian design precision and Italian craftsmanship, the studio creates sculptural furniture and objects defined by material honesty and refined simplicity. Each piece is handcrafted in Tuscany using locally sourced materials, where wood, metal,

and mineral finishes are shaped through a process that embraces natural variation and texture. Guided by a philosophy of durability and timelessness, Studio Dennis Kaiser develops a cohesive body of work in which furniture transcends function—emerging as quiet, architectural forms with a strong tactile presence.
