DESIGNER

Joanne Odisho

Joanne Odisho is a Melbourne-based designer whose practice sits at the intersection of material exploration, sustainability, and functional design. With a background in furniture and interior design, her work reflects a strong understanding of space, human interaction, and the role of objects within the home. Odisho approaches design as a thoughtful process, transforming conceptual ideas into sculptural yet purposeful pieces.

Her work often explores the use of recycled and bio-composite materials alongside traditional craft techniques, emphasising responsible material selection and long-term use. Through a restrained aesthetic and careful making, Odisho’s designs invite a deeper awareness of origin, process, and the evolving relationship between people, objects, and their environments.
