Veermakers is a Swedish furniture brand founded by interior designer Louise Liljencrantz in collaboration with KFK Cabinet Makers. Established after years of working together on high-end interior projects, the studio creates refined furniture defined by timeless design, honest materials, and exceptional craftsmanship. Each piece is designed by Liljencrantz and produced with a deep respect for

traditional woodworking techniques, combining natural materials such as wood, stone, and steel with a contemporary Scandinavian sensibility. Crafted in Sweden and Finland by skilled artisans, Veermakers' pieces are conceived as enduring objects that celebrate the beauty of materials and the value of lasting design.
